It is the responsibility of all Clubs to ensure any player signing a registration form has, where necessary, the required International Clearance Certificate. Clubs are also responsible for all players being correctly registered before fielding any player. Failure to do so constitutes misconduct and the Club will be charged with fielding an ineligible player.

Registration forms will be made available to Clubs by the Competition and charged in accordance with the fees tariff. The status of a player must be clearly stated on the Registration Form.

The registration of a Player will be valid from the date of registration to the end of that Playing Season only or, if in the case of a Contract or Loan Player whose contract or loan expires before the end of the Playing Season, for the term of the said contract or loan.

6.1.2 A Player may only play under his correct status. Any change of a Player's status during the currency of a registration must be notified to the Competition within five (5) days of the change of registration being affected.

RECOMMENDED PROCEDURE FOR THE GUIDANCE OF CLUBS AND REFEREES IN DETERMINING THE SUITABILITY OF GROUNDS IN ADVERSE WEATHER CONDITIONS

Each Club must take every precaution to ensure that its ground is in a fit playing condition. When the regional weather conditions are known to be extreme (e.g. prolonged severe frost, clear water logging or heavy snow) then the game can be postponed at the discretion of the League following consultation with the appropriate League Secretary / Officer, League Rules will apply; this is not an issue for the match day Referee. Should a Competition decide to agree to an early postponement under such circumstances there will be no requirement for a pitch inspection. In all other circumstances and subject to the time and travelling distance, the match Referee should be called in to make a decision. In the event of the match Referee being unable to carry out the inspection, the Home Club must select an alternative Referee listed within the National List of Contributory Referees. Should it not be possible to identify an appropriate Match Official, the Appointing Authority (the Football Association) will determine a suitable person to carry out the inspection. If a specific League Rule exists where the timing of a pitch inspection is stated, this will apply but is a League issue only.

Prior to reaching a decision the Referee who is making the inspection must:

- Consult with the match Referee prior to the inspection
 - Consult with the match Referee during / after the inspection to mutually agree on a decision prior to notifying the Home Club Secretary or Club Chairman and the appropriate League Secretary (or Chairman if the Secretary is not available).
- Prior to reaching a decision the Referee who is making the inspection should consider the following:

- Whether or not the ground (playing area) is dangerous (e.g. ice / frost)
- Whether or not that the spectator standing areas are dangerous (e.g. ice / frost)
- Whether or not conditions are or could turn farcical
- The views of the Home Club Groundsman in terms of local knowledge and draining capabilities in the event of standing water
- The existing condition of the playing surface in conjunction with the prevailing weather conditions as previously confirmed with the local weather authority
- Be seen to be active! Adhere to deadlines, keep all informed; especially the away Team Manager if he is on route and can be contactable (home club will have the Secretary's mobile number); or if the away Club are in a hotel locally. If they are within a reasonable time/distance from the ground it is only courtesy that you await their arrival
- Inspect thoroughly! A professional approach must be adopted when carrying out an inspection. It is not acceptable just to take a cursory look at the field of play in normal dress (i.e. Suit / Blazer etc.). Sports kit should be worn, along with appropriate footwear (i.e. football boots). All areas of the pitch should be inspected. A ball should be used to determine whether the surface is playable (for movement and bounce), if appropriate, playing staff may be able to assist you in this practical session.
- Fog creates its' own problems. Use perspectives from ground level and the back of a stand – check forecast (remember that there is a responsibility to paying spectators)
- When dealing with such elements as frost or ice – remember that the highest temperature of the day is usually around mid-day. Get a forecast if necessary of the projected temperature for the time when the match is due to conclude

- The manpower available to the Home Club to carry out any necessary work to make the ground playable
- The time the visiting Club are due to commence their journey
- Liaise with Managers BUT the decision as to whether the match is played is yours

If after consultation with the match Referee, the ground is declared fit and the away Clubs instructed to travel, then only in exceptional circumstances should the match Referee reverse the decision.

If an early inspection has not been carried out and the match Referee arrives at the ground to find the playing conditions in doubt due to unexpected deterioration in the weather, he should first consider as many of the above points before committing himself to a decision.

In the event of a pitch inspection being carried out by a Referee other than the match Referee, a fee of half the Referee's fee may be offered, plus travel expenses, paid by the Home Club. If the appointed Match Officials have reported to the ground they are entitled to their expenses plus half their match fee if the match is not played.

5.3 At the conclusion of each Playing Season, the following procedures will apply:

Step 1 and Step 2

The Clubs finishing in the bottom four places at Step 1 at the end of the Playing Season will be relegated to a feeder pool and placed in the most geographically appropriate division at Step 2 for the following Playing Season. They will be replaced

Where a Club finishes in a Play Off Position but does not meet the criteria for participation in play-off matches the Club finishing in the next eligible position shall take part in the play off matches. The play off matches shall be played so that the highest placed of the eligible Clubs plays against the lowest placed and the other two Clubs play each other. The winners of each match will play each other and the winner of that match will be promoted. If there are only three eligible Clubs then the highest placed shall receive a bye to a second match where it will play the winner of the other play off match and the winner of that Final will be promoted. Clubs finishing below position 7 will not be considered for play off matches.

Step 2 and Step 3

The Clubs in the bottom three places in each of the two divisions at Step 2 at the end of the Playing Season will be relegated to a feeder pool and placed in the most geographically appropriate division at Step 3 for the following Playing Season. The play off matches shall be played so that the highest placed of the eligible Clubs plays against the lowest placed and the other two Clubs play each other. The winners of each match will play each other and the winner of that match will be promoted. If there are only three eligible Clubs then the highest placed shall receive a bye to a second match where it will play the winner of the other play off match and the winner of that Final will be promoted. Clubs finishing below position 7 will not be considered for play off matches.

The promoted Clubs will also be placed in a feeder pool and placed in the most geographically appropriate division at Step 2.

Step 3 and Step 4

The Clubs in the bottom four places in each of the three divisions at Step 3 at the end of the playing season will be relegated to a feeder pool and placed in the most geographically appropriate division at Step 4 for the following Playing Season. Where a Club finishes in a Play Off Position but does not meet the criteria for participation in play off matches the Club finishing in the next eligible position shall take part in the play off matches. The play off matches shall be played so that the highest placed of the eligible Clubs plays against the lowest placed and the other two Clubs play each other. Each of these Leagues will nominate the Club finishing in 1st position subject to meeting the entry criteria and wishing to be considered for promotion. In the event of the 1st placed Club not being nominated, the Club finishing in 2nd position can be nominated subject to the same criteria. The Clubs to be promoted from Step 5 will be placed in a feeder pool and allocated to the most geographically appropriate division.

In the event that there are more Clubs qualifying for promotion than spaces available, priority will be given to the Champion Clubs in Step 5 Leagues. If vacancies remain, Clubs finishing in 2nd place in Step 5 Leagues will be ranked for promotion purposes according to the average number of points gained per games played. Any Club seeking promotion from Step 5 to Step 4 must make application to The Football Association on the prescribed form, copied to their existing league, by 31st December in the relevant year. The application must be accompanied by the agreed grading fee, as determined by the LC, which is non refundable. Where the Former Club as a member of The FA Premier League or Football League in the current Playing Season then the LC shall at its absolute discretion determine in which league within the NLS the New Club shall be placed for the following Playing Season and will set out at its complete discretion the requirements to be met by the New Club.

In order for consideration to be given to the placement in the NLS by the New Club in the following Playing Season, an initial application must be received by the LC by 1st March or within twenty-one days of the Former Club being wound up, liquidated, ceasing to trade, resigning or being removed from its League or withdrawing from football competition, if such date is later than 1st March. The full application accompanied by all necessary documents including evidence of security of tenure having been granted to the New Club must be received by 31st

March. The application shall be copied to the League of which membership is being requested. The application will be determined by the LC.

In considering any application, the LC will set out at its discretion the requirements to be met by the New Club.

Only one application will be considered for placement in the NLS in accordance with this Regulation. In the event of more than one application being received within twenty-one days of the Former Club being wound up, liquidated, ceasing to trade, resigning or being removed from its League or withdrawing from football competition, the LC will consider at its discretion which application will be considered in accordance with this Regulation.

6.4 If a Club (whether a Members' Club or a Company) ceases to be a member of its league and that Club (that is not a New Club as defined at 6.3 above) wishes to be placed within the NLS for the immediately following Playing Season, then unless otherwise determined by the LC, it may be allowed to make an application to join a League/division below the most recent League/division of which the Club was a member.

In order for consideration to be given to the placement in the NLS by the Club in the immediately following Playing Season, an initial application must be received by the LC in accordance with the procedures set out at 6.3 above. The application shall be copied to the League of which membership is being requested. The application will be determined by the LC at its absolute discretion.

In considering any application, the LC will set out at its discretion the requirements to be met by the Club in determining whether to approve the application.

6.5 If two or more Clubs ("the Merging Clubs") are proposing a transaction or series of transactions that result in the merging or consolidation ("the Proposed Merger") of those Clubs into one Club ("the Merged Club") then a formal application to do so must be received by the LC and the league(s) of which the Merging Clubs are members by 31 December.

A Deed of Agreement, which shall be legally binding on all parties must be submitted to The Association by 31st March in the year immediately following receipt of the application. The LC shall determine at its absolute discretion where the Merged Club is to be included in the NLS for the following season subject to the provisions of item (ix) below.

- (ix) The Merged Club will ordinarily be placed at the lower of the Steps at which the Merging Clubs ended the season in which the application is made. For

the purposes of this Regulation, if one of the Merging Clubs has finished that season in a relegation place, then they will be deemed to have ended the season at the Step to which they would have been relegated without the Proposed Merger proceeding. Any decision regarding whether a proposed transaction or series of transactions falls to be considered under this Regulation shall be determined by the LC at its absolute discretion

7. Election of a Club into a League

Reserve teams currently at Step 5 can remain unless relegated, once relegated they will not be permitted to be promoted back to Step 5.

7.3 Teams from Higher Education or Further Education establishments are not permitted to compete above Step 5. This does not prevent any such establishment forming a Club which complies with all entry criteria and which is separate from the establishment itself.

8. Procedures for the Determination of any Matter, Dispute or Difference by the Leagues Committee

8.1 The LC may adopt such procedures for the determination of any matter, dispute or difference as it considers appropriate and expedient, having regard to the aims and objectives set out at Regulation 1. Appeal Proceedings

2.1 An Appeal Board shall proceed as set out below.

2.2 Reference to a party or parties means:

- (1) the appellant (the “Appellant”); and
- (2) The Association in the case of an appeal against a decision of the Disciplinary Commission, or the Affiliated Association or Competition whose decision is appealed against (the “Respondent”).

2.3 The Respondent shall nominate an individual or individuals to represent it before the Appeal Board.

2.4 The Respondent shall serve a written reply to the Notice of Appeal (the “Reply”) on an Appellant and the Appeal Board within 21 days of the lodging of the Notice of Appeal. Where appropriate, the Reply must include any application for leave to present new evidence under 2.6 below.

2.5 The parties shall be entitled to make oral submissions to the Appeal Board but an appeal shall be by way of a review on documents only, without oral evidence, except where the Appeal Board gives leave to present new evidence under 2.6 below.

2.6 The Appeal Board shall hear new evidence only where it has given leave that it may be presented. An application for leave to present new evidence must be made in

the Notice of Appeal or the Reply, setting out the nature and the relevance of the new evidence, and why it was not presented at the original hearing. Save in exceptional circumstances, the Appeal Board shall not grant leave to present new evidence unless satisfied with the reason given as to why it was not, or could not have been, presented at the original hearing and that such evidence is relevant. The Appeal Board's decision shall be final.

2.7 The Chairman of an Appeal Board may upon the application of a party or otherwise, give any instructions considered necessary for the proper conduct of the proceedings, including but not limited to

- (1) extending or abridging any time limit;
- (2) amending or dispensing with any procedural steps set out in these Regulations;
- (3) instructing that a transcript be made of the proceedings;
- (4) ordering parties to attend a preliminary hearing;
- (5) ordering a party to provide written submissions. The decision of the Chairman of the Appeal Board shall be final.

2.8 The Appeal Board may adjourn a hearing for such period and upon such terms (including an order as to costs) as it considers appropriate.

2.9 The Appellant shall prepare a set of documents which shall be provided to the Appeal Board and Respondent at least seven days before the hearing and which shall comprise the following (or their equivalent):

- (1) the Charge;
- (2) the Answer;
- (3) any documents or other evidence referred to at the original hearing relevant to the appeal;
- (4) any transcript of the original hearing;
- (5) the notification of decision appealed against and where they have been given the reasons for the decision;
- (6) any new evidence;
- (7) The Notice of Appeal;
- (8) The Reply.

Where the Disciplinary Commission or other body appealed against has not stated the reasons for its decision, either

- (i) the Appellant shall request written reasons from that body which shall be provided to the Appeal Board; or
- (ii) the Appeal Board shall require that a member of the body that made the decision shall attend (in which case, questions may be put by the Appeal Board at a hearing to satisfy itself as to the reasons for the decision. Cross-examination by the Appellant or Respondent shall not be permitted. Representations may be made by the parties to the Appeal Board who may then put questions to the member of the body that made the decision).

2.10 Appeal hearings shall be conducted how, when and where the Appeal Board considers appropriate. Reasonable notice shall be given by the Appeal Board of the date, time and venue of the appeal.

Where an application to present new evidence has been made, the party making the application shall address the Appeal Board in support of the application and the other party may respond; the Appeal Board shall then determine whether or not it will receive the new evidence. The following procedures shall be followed at an appeal hearing unless the Appeal Board thinks it appropriate to amend them:

- (1) The Appellant to address the Appeal Board, summarising its case;
- (2) Any new evidence to be presented by the Appellant;
- (3) The Respondent to address the Appeal Board, summarising its case;

- (4) Any new evidence to be presented by the Respondent;
 - (5) Each party to be able to put questions to any witness giving new evidence;
 - (6) The Appeal Board may put questions to the parties and any witness giving new evidence at any stage;
 - (7) The Respondent to make closing submissions;
 - (8) The Appellant to make closing submissions.
- 2.11 The Appeal Board shall proceed in the absence of any party, unless it is satisfied that there are reasonable grounds for the failure of the party to attend, and shall do so in such manner as it considers appropriate.
- 2.12 The Appeal Board may, in the event of a party failing to comply with an order, requirement or instruction of the Appeal Board, take any action it considers appropriate, including an award of costs against the offending party.
- NB A deposit of £100 is required for appeals against decisions of FA Disciplinary Commissions and £50

Appeal Board Decisions

- 3.1 A decision, order, requirement or instruction of the Appeal Board shall (save where to be made under the Rules by the Chairman of the Appeal Board alone) be determined by a majority. Each member of the Appeal Board shall have one vote, save that the Chairman shall have a second and casting vote in the event of deadlock.
- 3.2 A decision of the Appeal Board shall be final and binding and there shall be no right of further challenge.
- 3.3 The Appeal Board shall have power to:
- (1) allow or dismiss the appeal;
 - (2) exercise any power which the body against whose decision the appeal was made could have exercised, whether the effect is to increase or decrease any penalty, award, order or sanction originally imposed;
 - (3) remit the matter for re-hearing;
 - (4) order that any deposit be forfeited or returned as it considers appropriate;
 - (5) make such further or other order as it considers appropriate, generally or for the purpose of giving effect to its decision.

Costs

- 3.4 Any costs incurred in bringing, or responding to, an appeal shall be borne by the party incurring the costs. Any costs incurred in relation to the Appeal Board, including travel, accommodation and room hire, may be ordered by the Appeal Board to be paid by either party.

Announcement of Decision

- 3.5 The Appeal Board shall announce its decision to the parties as soon as practicable in such a manner as it considers appropriate; and unless it directs otherwise, its decision shall come into effect immediately

Written Decision

- 3.6 As soon as practicable after the hearing, the Appeal Board shall publish a written statement of its decision, which shall state:
- (1) the names of the parties, the decision(s) appealed against and the grounds of appeal;
 - (2) whether or not the appeal is allowed; and
 - (3) the order(s) of the Appeal Board.

The written statement shall be signed and dated by the Chairman of the Appeal Board and be the conclusive record of the decision.

- 3.7 The Appeal Board shall, upon the request of the Appellant or the Respondent (such request to be received at The Association within five days of the date of the announcement of the decision), give written reasons for the decision.

THE F.A. CHILD PROTECTION POLICY STATEMENT

1. Every child or young person who plays or participates in football should be able to take part in an enjoyable and safe environment and be protected from abuse. This is the responsibility of every adult involved in football.
2. The Football Association recognises its responsibility to safeguard the welfare of all children and young people by protecting them from physical, sexual or emotional harm and from neglect or bullying. It is determined to meet its obligation to ensure that those clubs and organisations providing football opportunities for children and young people do so to the highest possible standard of care. .
3. These procedures apply to anyone in football whether in a paid or voluntary capacity. For example, volunteers in clubs, referees, club officials, helpers on club tours, football coaches and medical staff
4. The Football Association will consider, having taken advice, whether anyone who has a previous criminal conviction or caution for offences related to the abuse of children or young people, violence or any sexual offences, should be excluded from working with children and young people. This position is re-inforced by U.K legislation and guidance.

FOOTBALL ASSOCIATION REGULATION

A Doctor should be present for all home fixtures.

A Therapist trained to the level of The Football Association Intermediate Treatment and Management of Injury Course (as a minimum) should be in attendance throughout matches to attend to injured players on the field of play and in the dressing rooms. "Away" clubs should be accompanied by a Therapist as stated above for the same purpose.

FOOTBALL ASSOCIATION RECOMMENDATION

It is strongly recommended that all Clubs below the Premier Division have Therapists in match attendance who have attended and passed FA Medical Education Courses up to and including the FA Basic Treatment of Injury Course level.
